SPONSORSHIP OPPORTUNITIES

INVALUABLE • INNOVATIVE • PIONEERING

This year, The Faith Center launched its Year of Strategic Alignment under the leadership of Bishop Henry Fernandez.

Henry Fernandez is known worldwide as an innovator, motivator, and inspirational minister of the Word of God. Through his leadership, he has launched a mega-ministry which is now thirty-one years old, established and maintained an active and influential social media presence, pioneered the start of a food pantry in the city of Lauderhill, and grown a university offering academic and athletic programs. All these arms of the ministry are over seventeen years old. Henry has succeeded in his personal and business life and encourages his listeners to walk the faith life and do the same. Walk in alignment and be successful.

This year, Henry Fernandez has purposed that the people of God must now move into their purpose. In so doing, the Conference, MAXIMIZE YOUR POTENTIAL, was birthed. The Conference will provide the resources to help you identify your purpose and to maximize your potential to fulfill that purpose.

This Conference will attract speakers such as Keion and Shaunie Henderson, April Osteen, Dr. Traci Lynn, Dr. DeeDee Freeman, Pastor Rich Wilkerson, Jr., and more. The speakers will be complemented by powerful worship leaders such as Jekalyn Carr and Todd Dulaney. With a combined wealth of knowledge, experience, and anointing from this pool of presenters and artists prepared to pour into the attendees, this Conference promises to be the one for the ages.

The usual demographic attracted to this type of Conference hosted by Henry Fernandez Ministries includes individuals living in the south Florida area, other states in the US, the Caribbean, and international visitors, mainly between the ages of 35 to 60.

Henry Fernandez Ministries currently has 1,222,660 million followers and fans on social media and a live-listening Sunday audience of 1,400.
